| Registration material and other information | Will be provided at the venue of registration |
| Instructions [classes] begin from | Wednesday 01 st Aug 2018 (time table provided in registration kit) |
| Savings bank account | Account opening forms will be provided. Carry sufficient number of passport size photographs |
| Category certificate in specified format | Submit at the time of registration, if NOT submitted already |

Details of fee to be paid by Indian nationals including PIO and OCI card holders

| Category | GEN, OBC-NCL | SC, ST, PwD |
|--|---------------------|--------------------|
| Total fee for the Autumn semester | Rs. 1,22,876/- | Rs. 22,876/- |
| (less) Fee paid at the time of seat acceptance | Rs. 33,500/- # | Rs.13,500/- # |
| Fee due to be paid | Rs. 89,376/- | Rs. 9,376/- |
| # Rs. 1,500/- deducted towards processing fee for document verification at reporting centre. | | |
| Apart from above, Hostel mess advance (Rs. 20,000/-) per semester is to be paid. Pay the TOTAL fees (i.e. Rs. 1,09,376/- (GEN, OBC-NCL) or 29,376/- (SC, ST, PwD)) by Bank to Bank transfer through NEFT using the following details: | | |
| Bank Name: State Bank of India Branch: IIT Powai, Mumbai – 400076 A/c No. 35636327083 IFS code SBIN0001109 MICR code 400002034 | | |
| <u>IIT Dharwad accepts fee payment only through NEFT.</u> <u>After the payment is done, note down the UTR (Unique Transaction Reference) Number given by your bank and send the following details by email to accounts2018@iitdh.ac.in</u> <u>Student's Name; Branch; Amount Paid; UTR Number</u> <u>The student must bring these same details with him/her at the time of registration</u> | | |
| Last Date for payment of Balance Fees and Hostel Mess Advance : 1st Aug, 2018 | | |

Foreign nationals (other than PIO/OCI card holders) may please contact Dean (Academic Programme), IIT Dharwad for details.

Note: Email id of Dean (Academic Programme) is dean.ap@iitdh.ac.in

STUDENT MENTOR PROGRAM

All students admitted through the JEE (Advanced) are assigned an Institute Student Mentor. The Institute Student Mentor is a senior Undergraduate student, carefully selected by the Institute for his / her accomplishments and personal qualities. New entrants are expected to acquaint themselves with their mentor soon after arrival. Parents/Guardians of students are also expected to meet the mentor and maintain regular contact with the mentor.

COMPULSORY VACCINATION

When you come to IIT Dharwad, you will be staying in a hostel in close proximity to many other students. Such an environment poses a risk of spread of various infectious diseases like mumps, measles, chicken pox, etc. Therefore, it is compulsory that all students be vaccinated against the following:

1. Typhoid.
2. Hepatitis A and B.
3. MMR (one dose after 15 years of age is essential).
4. Chickenpox (If there is no history of chickenpox in past).

It may be expensive if the vaccines are administered after you come to IIT Dharwad. Therefore, you are advised to get vaccinated before you come to IIT Dharwad and produce the vaccination certificates to the authorities upon arrival. Please remember that your registration formalities may be on hold if vaccination requirements are not met.

SCHOLARSHIPS

Merit-Cum-Means, Free Messing and Central Sector Scholarship for Top Class Institutions for SC / ST are available for award to the students. You are advised to go through the terms and conditions and bring all the required documents and submit your application as attached duly filled in, for our further necessary action at the time of registration.

Needy students may refer <http://www.vidyalakshmi.co.in/students> for useful information related to loans, scholarships etc. under the Pradhan Mantri Vidya Lakshmi Karyakram.

INFORMATION PERTAINING TO HOSTELS

| | |
|---------------------------------|--|
| Hostel Room Allocation | You will be given your room key at the time of registration. Each room accommodates three students and has an attached bath+toilet. |
| Are hostel rooms furnished? | Each student is given a cot, chair + table and wardrobe. Students can purchase mattress / bedding, bucket, etc. locally. Arrangements are being made for on-campus shopping for these items. |
| Possession of motorized vehicle | NOT ALLOWED. Exceptions made on medical grounds |
| Climatic conditions | Generally, it will be raining, windy and cold. It is suggested that you carry protective clothing accordingly. |

With best wishes,

Sincerely yours,

Sd/-

Letter to Parents from the Team of Student Mentor Programme

Dear Parent/Guardian,

It gives us immense pleasure to congratulate you and your ward for your exemplary success. The Institute Student Mentorship Program (ISMP) would like to welcome you and your ward to one of the most prestigious institutes in our country, the Indian Institute of Technology Dharwad (IITDh).

We believe that, as well-informed parents, you should be familiarized with both the academic and the extra-curricular lifestyle of students at this institute and get an idea about the various opportunities that your child will have, as well as the underlying responsibilities. The faculty at this institute strives hard to make sure that the academic needs of each of their students are taken care of and also to make his/her stay here fruitful. However, there may be times when students require help, academic or otherwise, and we, at the ISMP see to it that these requirements are met promptly and in the best way possible. We would like you to extend your assistance for the same by simply making sure that you know a few things about this institute, to get a general idea of how things function here. This letter is written with the purpose of helping you understand the same.

Institute Student Mentor Program (ISMP)

At this institute, we have respected and well accomplished senior students mentoring all first year students. These mentors together constitute the Institute Student Mentor Program, aimed at providing guidance and help to first year students. The mentors help the first year students make a smooth transition from life at home to life at this institute, and help in clearing the hurdles in their path. It would be advisable for you to meet the mentors when you arrive on campus for the orientation. It would be beneficial if you could also stay in touch with mentors during the course of the semester.

Academic Structure

A typical academic year at IIT Dharwad is divided into two semesters – Autumn Semester (July-November) and Spring Semester (January-April). The curriculum at IIT Dharwad is based on the credit system. Each course is allotted credits based on the number of lectures, tutorials and lab hours per week.

There is continuous evaluation by means of quizzes, assignments, mid-semester, end-semester examinations and lab work throughout the semester. At the end of each semester, the student gets an SPI (Semester Performance Index) which is an average of the grades in each of the courses he/she had registered for in that semester, weighted with the credits of those courses respectively. CPI (Cumulative Performance Index) is a weighted average of all the SPIs (till date) weighted on the number of total credits each semester.

The importance of maintaining a steady attendance in classes here cannot be understated. It is advised that students do not miss classes due to trips home or otherwise. Also, it is absolutely compulsory for all students to attend classes during the first week of each semester, except for genuine medical reasons. When medical problems arise, the student is advised to inform the mentor and the professors concerned if he/she is missing classes. Professors might require medical certificates issued or authenticated by the IITDh authorized Hospital/doctors or other supporting documents in such cases.

Students who enter this institute every year are some of the best brains in the country. Due to the competitive environment here, we have often experienced cases where students who have until now always topped their class, find it difficult to attain grades equal to their expectations. This has often led to one of two extremes: some students face excessive parental pressure, while others simply adopt an indifferent attitude which further reduces their academic performance. We hope that you would encourage your ward to put his/her best foot forward - treat the best effort from his/her side as the objective, rather than the results.

Hostel Life

At this institute, we believe in the overall development of our students. General lifestyle of students includes a lot of extracurricular activities in fields of sports, cultural and technical activities, at intra-hostel, inter-hostel and inter-college events. The environment here is very conducive to growth and our institute has some of the best facilities across India. So, we encourage students to take up whatever interests them, and we request you to support them in their choices. There is enough time in a normal IIT student's day to fit in both academics and extracurricular activities without much stress. But, at the same time, it is advised that care must be taken to ensure proper time management such that academics are not neglected because of such activities.

Hostels form an integral part of every IIT students' life. The hostels are well equipped with necessary infrastructure and mess facilities. The transition of your ward, from your loving and caring hands to a completely new and competitive environment of IIT, could occasionally cause adjustment problems in the initial period of their stay. Many students find it difficult getting used to a roommate and hostel life for the first time. Sometimes, cultural, social and language differences further delay the settling in process. As mentors, we help the freshmen have a smooth transition so that this settling in process is as short as possible and your wards feel comfortable in this new setting quickly.

Financial Help

In case you are worried about how expensive it is going to be to put your son/daughter through college, don't be. Help is always given at IITDh to those who need it, whether that be academic, financial or any other kind. Scholarships in the form of Merit cum Means and Free Messing are provided to the eligible students that discount the tuition fees and the mess fees respectively. You can find more information about these under the section on scholarships.

Some important issues

Ragging in any form is strictly banned in the campus. The student should report any such untoward incident to his/her mentor immediately. We assure you that it will be dealt with confidentiality and with the highest priority. We believe that you will be reassured by the steps that have been taken by the institute to prevent ragging. Interaction of the freshmen with seniors (other than the appointed mentors) is heavily curtailed during their first month, so they get time to adjust. Strict penalties are very much in place, and mentors are always available to resolve any situations promptly.

However, it is expected that the freshmen develop a healthy rapport with seniors as they themselves are amongst the brightest in the country and excel at various activities. In fact, a healthy senior junior interaction is the hallmark of an IIT and we would like to maintain that. Our purpose of sharing the above mentioned problems with you is to make you aware

of them. As parents, you need not be alarmed, but mental preparation and precautionary measures would definitely help.

We hope that this information gives you a fair idea about the life of your ward over the next few years. This institute offers a wide range of opportunities for all who wish to learn in the various spheres of life and we hope that he/she has a productive and memorable time in the institute.

Best wishes,

Student Mentor Program

Appendix

Calculation of SPI and CPI:

Suppose in a given semester a student has taken four courses having credits C1, C2, C3 and C4 and grade points in those courses are G1, G2, G3 and G4 respectively. Then,
$$\text{SPI} = (C1 \times G1 + C2 \times G2 + C3 \times G3 + C4 \times G4) / (C1 + C2 + C3 + C4)$$

$$\text{CPI} = (\text{SPI1} \times \text{Credits in semester1} + \text{SPI2} \times \text{Credits in semester2} + \dots) / (\text{Total credits})$$

For example, if in a given semester a student has taken four courses having credits 6, 6, 8, and 6 and grade points in those courses are 10, 9, 8, 6 respectively. Then,

$$\text{SPI} = (6 \times 10 + 6 \times 9 + 8 \times 8 + 6 \times 6) / (6 + 6 + 8 + 6) = 7.62$$

If the student has an SPI of 7.62 in the 1st semester worth (say) 32 credits and 8.2 in the next semester worth 36 credits,

$$\text{CPI (at the end of 2nd semester)} = (7.62 \times 32 + 8.2 \times 36) / (32 + 36) = 7.93$$

Do note that all semesters have more or less equal credit weightage, so it is important to do well throughout, and not just in final exams, in order to maintain a good CPI.

Grading:

The system of grading here, in most courses, is relative. The highest grade (worth 10 points) is set according to the highest score obtained in the class, and proportionately, grades are allotted to all students. Grading, in integral values out of 10 is done based on the student's performance throughout the semester and goes from 10 to 4 (AA-10, AB-9, BB-8, BC-7, CC-6, CD-5, DD-4).

To,
IIT Dharwad
Sir,

Sub: Application for Remission of Fee

(For those students whose parental income is less than Rs. Five Lakhs per annum)

This is to inform you that my family income from all sources is Rs. _____ / (*in words*
Rupees _____) for the financial year 2017-
18. In support of my claim

a copy of IT Return for the financial year 2017-18 is enclosed.

OR

I am not required to file IT return in accordance with Income Tax Act 1961, therefore I am enclosing Income certificate issued in the last month by the Revenue Officer.

(strike out which is not applicable)

I further declare that the above information is true to the best of my knowledge and belief and I am aware that I am solely responsible for the correctness and accuracy of the above declaration and understand that providing false information amounts to misconduct and may lead to cancellation of admission at IIT Dharwad. I further authorize IIT Dharwad to verify my income.

Accordingly, I request you to kindly refund me the extra fee paid for Rs. _____ (*in words, Rupees* _____).
