## **Dos and Don'ts**

### **Dos**

- Please ensure that you have participated in a mock call session before the actual interview to set-right the audio-video set up.
- Please ensure that the device that you will use for the interviews has a camera.
- Please plan to have at least 2 GB of data with you before the meeting.
- Try to locate yourself in a place with good internet speed (at least 1.5 Mbps) for a good quality video interaction.
- Laptops/tablets are preferred for video conferencing.
- Accessing any technical resource (notes, book, internet, including peers or mentors) is not allowed during interview unless explicitly mentioned by the committee.
- Have paper and pen/pencil handy.
- Ensure that your equipment for video conferencing is charged to avoid power issues.
- Ensure that the place from where you are attending the interview is conducive for effective interaction online.
- Best Practices while in online meetings:
  - Turn your camera on and have your camera at your eye-level
  - Make sure you sit in a well-lit and quiet place

- Be mindful of what's going on behind you. Think about having a solid wall/nice curtain behind you or turning on the virtual background (if available).

### **Don'ts**

- Avoid windy noisy surroundings during interview.
- Do not record interviews in any form. Any such act will be considered as violation of the pledge you signed online and may invite punitive action from IIT Dharwad.
- Do not ask about the schedule of the results. It is better to use interview time for other better inquiries as the results will be declared online as soon as possible.
- Do not leave your place in front of the camera for the entire duration of the interview.
- Don't have anyone else around you. Any interaction with someone else other than the interview panel during the interview will be considered as a suspicious activity.
