Stage I Interview	Nov 26, 2020
Stage II Interview	Dec 3, 2020

Description of selection process

1. For the eligible candidates whose submission IDs are announced on the website, a shortlist will be announced based on the GATE score.
2. Each shortlisted candidate will be screened via a two-stage interview process, both of which will be conducted online via [Google Meet](#). You can attend the interview from your browser using a laptop/computer, or using the [Google Meet app](#) from your mobile device.
3. The Stage I interview (~10-15 min in duration) will test the basic understanding of the CS concepts and will be conducted on Nov 25, 2020. The candidates are required to answer all the questions
4. The Stage II interview (~30 min in duration) will be specific to the candidate's preferred research areas in which the candidates are specifically interested in, and will be conducted on Dec 3, 2020.
5. Before the actual interviews, we will have mock calls on Nov 25, 2020 to check your internet connectivity and audio-video setup.
6. You are expected to be available for a two-hour slot both for mock call and Stage I interview. The slot assignment is detailed in the Interview Schedule at the end of this document. During your assigned slot, we will send you a Google Meet invite over email, and you will be expected to join the call immediately.
7. Based on the Stage I interview, the shortlist and schedule for Stage II interviews will be list of shortlisted candidates will be published on the [IIT Dharwad website](#).
8. Kindly note that the interview calls will be recorded for official purposes.

Dos and Don'ts

Dos

- Please ensure that you have participated in a mock call session before the actual interview to set-right the audio-video set up.
- Please ensure that the device that you will use for the interviews has a camera.
- Please plan to have at least 2 GB of data with you before the meeting.
- Try to locate yourself in a place with good internet speed (at least 1.5 Mbps) for a good quality video interaction.
- Laptops/tablets are preferred for video conferencing.
- Accessing any technical resource (notes, book, internet, including peers or mentors) is not allowed during interview unless explicitly mentioned by the committee.
- Have paper and pen/pencil handy.
- Ensure that your equipment for video conferencing is charged to avoid power issues.
- Ensure that the place from where you are attending the interview is conducive for effective interaction online.
- Best Practices while in online meetings:
 - Turn your camera on and have your camera at your eye-level
 - Make sure you sit in a well-lit and quiet place
 - Be mindful of what's going on behind you. Think about having a solid wall/nice curtain behind you or turning on the virtual background (if available).

Don'ts

- Avoid windy noisy surroundings during interview.
- Do not record interviews in any form. Any such act will be considered as violation of the pledge you signed online and may invite punitive action from IIT Dharwad.
- Do not ask about the schedule of the results. It is better to use interview time for other better inquiries as the results will be declared online as soon as possible.
- Do not leave your place in front of the camera for the entire duration of the interview.
- Don't have anyone else around you. Any interaction with someone else other than the interview panel during the interview will be considered as a suspicious activity.
