 - (f) Service engineer must have experience of at least three years of working in related field (i.e. server level maintenance and repair/maintenance of IT items and equipment), after completing 3-year technical diploma / degree course in related field. In addition, the engineer should be able to fluently speak any two languages out of Kannada, Hindi and English. IIT Dharwad will interview the person deputed as Service Engineer to assess the capabilities. Deputation of only capable candidate will be allowed.
 - (g) The Contractor shall physically inspect the IT assets covered under this contract and report to this effect shall be submitted to the IIT. It will be responsibility of the Customer to make good the defects, if any, notified by the Contractor prior to commencement of the contract.
 - (h) No part covered under this contract is to be declared unserviceable by the contractor during the period of the contract. In such a case, the Contractor shall provide a **standby part of same/higher configuration** till the expiry of contract **within 24 hours** from the time of lodge of complaint.
 - (i) In case, any part / IT asset, installed at IIT Dharwad is to be taken out for repairs to the contractor's workshop a standby of same/higher configuration shall be provided by the contractor so that the institute is kept operational.

- (j) The details like the date & time of occurrence of fault, date & time when fault was acknowledged by the Service Engineer and the date & time when the fault was rectified to the satisfaction of the user, shall be updated by the Service Engineer on the Call Report basis signed by the user of equipment & shall form the basis of calculation of downtime or uptime of the equipment.
 - (k) The Contractor shall intimate the status of complaints pending/rectified. The contractor shall also submit a consolidated report furnishing the details of calls attended, remedial action taken and their status.
 - (l) In case it is not possible to repair any equipment or it's part at site, it can be sent to Contractors Workshop after due authorisation. It will be sole responsibility of contractor to take the defective parts to the workshop & bring them back to the same site after repairs. Any cost incurred towards transportation of the faulty/repared as well as standby equipment shall be borne by the Contractor.
 - (m) IIT Dharwad shall not be responsible for any use of unlicensed/pirated software, if any, used by the service provider. The responsibility shall rest with the service provider for using unlicensed/pirated software.
 - (n) Processors, Hard Disks, RAMs, Logic/Network Cards, SMPS, Mother Boards should not be repaired and shall be replaced with OEM branded parts/products only.
 - (o) IIT Dharwad may terminate the contract at any time without assigning any reason thereof, if the work of the Service Provider is found to be unsatisfactory and IIT Dharwad will be at liberty to entrust the same to any other firm/Service Provider at the risk and expense of the defaulting Service Provider. In this connection, the decision of IIT Dharwad shall be final and binding upon the Service Provider.
 - (p) The AMC shall cover each and every part including plastic body and parts, replacement of any part necessary for keeping the items active and free from any defects/disturbance; any unscheduled call for corrective and/or preventive maintenance services; taking appropriate measures/steps in time to set right the malfunctioning of the item.
