DEPARTMENT OF PHYSICS

The Selection Process Details

Schedule of Events

The department will conduct two rounds of interviews for the shortlisted candidates for Autumn 2023-24.

1. The first round of interviews (R1) will be in online mode and is compulsory for all shortlisted candidates. This round of interview will be conducted between **8th May and 10th May 2023**. The interview time slot will be sent a priori to the shortlisted candidate in separate email.
2. The department may conduct a second round of interview (R2) for the candidate(s) found suitable in the first round of interview (R1). The second round of interview will be in hybrid mode, i.e., the candidate can either choose to attend it in the online mode **OR** they can appear in-person for the R2 which will be conducted in IIT Dharwad. The duration of the interview (R2) in both online as well as offline mode will be nearly the same. The date and time for the interview will be notified to the shortlisted candidate(s) by email. Applicants are advised to check the website regularly from time to time.
3. The final selection will be based on the performance of the candidate/s in the second round of interview.

NOTE:

- The online interview/s will be conducted using the Google Meet platform.
- Any communications (time slots for interview, etc.) related to the selection process will be sent **ONLY** through email/s to the eligible candidates. Therefore, candidates are requested to check their email regularly.
- Candidates should keep blank A4 sheets, calculator, pen, etc during the online interview.
- Sometimes the interviews may spill over the stipulated time due to technical problems, therefore once the candidate asks for permission to be allowed into the virtual meeting/interview room, they shall be kept waiting till they are allowed to the virtual meeting room.
- If you are using a mobile device for the purpose of the interview, please ensure you have sufficient mobile data for participating in the entire duration of the interview.
